**SUBJECT: Limited Security Briefing of CIA Awards
Committee on Project "I"**

25X1

1. I was invited by [redacted] DD/P Recorder of the Agency Awards Committee, to security brief the Committee on 15 January 1963. The reason for the request for a limited briefing on Project "I" was that the Committee on that date was scheduled to consider the proposal that CIA medals be awarded to certain members of Detachment G.

2. The following members of the Committee were present:

25X1

[redacted] Office of Personnel, Chairman
[redacted] Member
[redacted] OS, Security Advisor
[redacted] DD/P, Member
[redacted] OTR, Member

3. My security briefing consisted of a brief introduction to the Program with emphasis on the fact that this Project is still very much in business and information concerning it is still subject to a rigid holddown procedure and such information can only be discussed with individuals possessing the "I" clearance. All participants signed an "I" secrecy agreement which took cognizance of the fact that they were authorized access to "I" information solely for the purpose of participating on the Agency Awards Committee for the meeting held on 15 January 1963. The agreement further pointed out upon the conclusion of the meeting they were no longer authorized access but will be required to maintain in strictest confidence the "I" information made available to them.
